

American Interventional Headache Society

AIHS Corporate Partner Program

www.interventionalheadache.net

AIHS is a national professional organization of physicians, dentists, health care professionals and scientists working for the benefit of people suffering from intractable headache, neck, and orofacial pain unresponsive to conventional treatment.

AIHS welcomes support from its corporate partners as this helps to further the AIHS mission. By becoming an AIHS Corporate Partner, you will help advance the quality of care provided by AIHS physicians by contributing your voice and support to members' efforts in research, education, treatment and advocacy. Together, we can make a difference for patients and the education of physicians who serve them. Acceptance of any form of corporate support is independent of AIHS' policies and programming, and does not constitute endorsement of any company or product.

Corporate Partner Benefits

- Opportunity to demonstrate support for the vision, mission and objectives of AIHS. Through the contribution which is not restricted to any project the corporate partner will contribute to enabling the growth and development of the society.
- Priority for exhibiting and supporting AIHS meetings and workshops.
- Priority for industry sponsored (non-CME) educational activities during AIHS meetings and workshops.
- Recognition in the AIHS newsletter that is emailed to AIHS membership few times a year.
- Listing with logo, description and link on the Corporate Partner page of the AIHS Website.
- Invitations to any industry breakfast or lunch briefings with the AIHS leadership during the AIHS workshops.
- Listing in the program book at AIHS workshops.
- Access to the members-only areas of the AIHS website.
